This bulletin covers July and August, which is the heart of the season when people are synagogue shopping and begin to look seriously at synagogue affiliation.

Membership, of course, is the life of any institution. Synagogues are certainly not an exception to that. I hope you agree that we have a good Rabbi, a cantor with a fabulous voice and a wonderful personality, a large and very useful building, a good location in the heart of Chicagoland, and our dues are certainly not on the high end, not even on the average end of synagogues in the north suburbs. I cannot imagine that there are synagogues that have significantly better programming than we do, or nicer people. Our main challenge is that non-Orthodox families are not moving in great numbers to our area, but all this just means that we have to work harder.

As summer passes and we are rolling into fall and the High Holidays, it will be terrific to have a significant increase in our membership; so please help, and share with others. Sonya Dinnsen is our Executive Director, Judy Frank is our Membership Chairperson. We have many fantastic and exciting programs planned for this coming New Year, from the regular services to adult education.

Our Adult Education Committee is sponsoring many programs in the fall that should be of substantial educational interest.

My question for each one of you is: do you know a close friend or family member that has thought about joining a Jewish synagogue, but hasn't picked one yet? You are each designated to be part of our membership committee. Invite your friends and neighbors to a service, show them our bulletin and add them to my regular e-mail list so they can see our activities.

They can be a guest for Shabbat dinner on Friday night, August 22nd. Cantor Warschawski will be here that Shabbat, which precedes his concert on the 24th. Bring them then, buy them a ticket and bring them to the concert. We also have an open house on Sunday, September 7th, but anytime is a good time to talk about how terrific our synagogue is, and the benefits of participating as a member in our synagogue.

Enjoy and have a wonderful summer.
Rabbi Jonathan Ginsburg

Hospitalized?

Federal regulations make it very difficult for us to find out who is hospitalized. If you know of a member who is hospitalized, contact the Rabbi at ehntrab@yahoo.com or 847-675-4141 and tell him who, where and for how long (estimate). It's a mitzvah!!!

MAZEL TOV TO ENTHUSY ON WINNING MOST IMPROVED CHAPTER OF THE YEAR!!!

I want to congratulate our chapter, ENTHUSY, on winning "Most Improved Chapter of the Year" at Kinnus 2008--Stairway to Heaven. I believe that our chapter has officially left its mark on CHUSY (Chicago area United Synagogue Youth). I want to first and foremost thank our USYers and Kadimanicks for making our chapter strong by joining and attending both chapter and regional events, and the parents for allowing them to do so. I want to thank the Rabbi and synagogue for all its help these past few years. I want to thank Marsha Brody for helping us with thinking about the future and searching for youth director, and Stefani Weiss for accepting the position on an interim basis through May. And finally, I want to thank you, the synagogue, for allowing me to pursue this chapter and donating your tikkun olam dollars to USY's tzedakah funds. Your help benefits numerous organizations all around the world. This year, we raised over \$1000 as a chapter. Still, more is always welcome and needed. Please do submit checks made out to USY. Every donation will be made for the sake of bettering the world.

As this year draws to a close, I want to leave you with a quote from Pirkei Avot, chapter one, verse 10. "Shemaiah and Avtalyon received [the Torah] from them. Shemaiah says: "Love work, hate domination, and do not make yourself known to authorities." This quote speaks to me at the end of this year, as I have worked hard, loved it, and pursued the best this year for our chapter, and so has my board. I have tried to include everyone, and have tried to leave no one behind. And I believe that the third piece speaks to you, the members, for being willing to support our chapter, adding a kind word whenever possible and donating your time and money to help CHUSY grow and prosper. To learn what more you can do, feel free to call me or e-mail me and let me know. Again, thank you to everyone. This year has been wonderful, and I will miss ENTHUSY and CHUSY greatly in the years to come.

Shabbat Shalom/Chag Sameach,
David Weltman,
ENTHUSY Chapter President '07-'08,

EHNTJC SOCIAL ACTION COMMITTEE

Encourage Membership

The summer months are a time when Jews who move into a community are contemplating synagogue membership. Sometimes young families with children who are school age also contemplate participation. Also, many unaffiliated Jews consider membership as the High Holydays approach. Every EHNTJC member is delegated as an ex-officio member of the membership committee. We need you to promote synagogue affiliation with your neighbors, friends and family. We have wonderful programming, meaningful religious services, experienced staff, many opportunities for rewarding volunteer activities and a wonderful balance of traditional Judaism mixed with modern approaches. Please suggest they call Executive Director Sonya Dinnsen at 847-675-4141 or Judy Frank, membership Chair-person.

Involvement in the Tikkun Olam, both within and beyond our own congregation, is seen not only as an obligation but also an invaluable opportunity to rebuild our community and repair the world.

Gemiluth Chesed

THE "GEMILUTH CHESED LOTTE GRUEN FUND"

Gemiluth Chesed, a Hebrew term meaning the "Bestowal of kindness" and meaning generally the **GIVING OF CHARITY TO NEEDY PERSONS.**

The giving of charity is one of the oldest and most sacred traditions, since the Torah not only commanded it but also described in full detail the manner in which **THE INDIGENT SHOULD BE PROVIDED FOR.**

The Torah even indicated that one should be required to give for charitable purposes in the following words:

"Every person shall give as they are able according to the blessing of the Lord, thy G-d"

The Jewish concept of "charity" has both in the Torah and later, been refined to mean more than the mere giving of small subsidies. It has been considered "Tzedakah" **AN ACT OF JUSTICE AND RIGHTEOUSNESS.**

In making the "Gemiluth Chesed Lotte Gruen Fund" one of your charities, you will not only fulfill a mitzvah, but will also express your feelings to your friends and relatives, as we can send in your name congratulatory messages for all occasions as well as get-well and sympathy messages.

The fund's finances provide assistance to our members who are in need of food, housing, medical care and other dire emergencies. A committee of five, who are **PLEGGED TO ABSOLUTE CONFIDENTIALITY**, supervise the operation of this fund. **PLEASE CONSIDER THIS FUND INSTEAD OF PURCHASING A GREETING CARD.** Without any additional cost to you, you will be doing a mitzvah by helping the needy in **YOUR OWN CONGREGATION.** We thank you in advance.

TISHA B'AV & ITS ESSENCE

The 9th day of Av is a day of mourning and fasting commemorating the destruction of the great

Temple in Jerusalem. The world is still unredeemed.

Since the birth of the State of Israel and the re-unification of Jerusalem after two millennia, some Jews have felt that Tisha B'Av should no longer be observed, or at least, should be updated. But the Jewish calendar would be impoverished if Tisha B'Av were to be discontinued.

It would be a severe diminution of our concern and love for those who went before us to remove or drastically modify this day when their sufferings are recalled.

We need Tisha B'Av to remind us that nations still oppress other nations, that people still suffer and that we must renew our efforts to end all exile and oppression.
