

**Men's Club and Sisterhood Proudly Present
An EHNTJC Cinema Series Film**

“The Juggler”

The second film in our series, “The Juggler”, begins when former concentration camp inmate Hans Muller debarks with a boatload of other German Jewish refugees in Haifa, Israel in 1949. Due to psychological problems, including survivor guilt, he can’t adjust to peacetime life.

Thus begins a series of events in which he interacts with a policeman, a teenage orphan, and a female resident of a kibbutz. Along the way he reveals that he was a professional juggler who ignored warnings from friends to flee Nazi Germany before it was too late. He made the fatal mistake of counting on his fame and popularity to protect his family.

As in our January film, the lead character is played by Kirk Douglas.
